5 INCUMBENTS RE-ELECTED IN COFFEE DEMO PRIMARY

Commissioner,
Probate Judge
In Run-Offs

Though the voting machines resulted in a slow-motion of voting Tuesday, a heavy Coffee County vote was cast in the Tuesday, May 5th primary which returned four incumbents to another term. Two run-off elections will be held in the June 2nd primary for the Judge of Probate office and for County Commissioner, District 4.

The report as given in this issue of The Elba Clipper is official. A Beat by Beat and Box by Box report will be published next week.

Flournoy Whitman was re-elected County Commissioner District 3 by a vote of 4,054 to his opponent, Fred Mescham's vote of 2,670. Whitman defeated Mescham in 1960 by a vote of 3,637 to 2,910. In the Tuesday primary Whitman gained over his 1960 total by 47 votes. Whitman polled the second highest number of votes cast for any county office. Gladys Clark was high with 4,101 votes.

Eugene (Gene) Brown was re-elected over J. Albert Dyess by a 45 vote margin. Brown was elected four years ago (1960) by a 3,144 vote over his opponent, Rex A. Lowery's 2,866. In Tuesday's primary, Brown polled 3,347 votes and Dyess 3,302. Brown received 203 more votes in the 1964 primary compared to the 1960 election, but it is also noticeable that his opponent polled a higher vote over his 1960 opponent, an increase of 436 votes. Both received a very complimentary vote.

C. E. Peacock was re-elected Superintendent of Education by a 412 margin over Robert Leamon Farris. Peacock polled 3,677 to Farris' 3,265 votes. Peacock won the election for Superintendent of Education over Farris four years ago by a vote of 3,782 to 2,942, a wider margin of 840 votes. An increase in votes cast for the Supr. of Education office this primary was 218 above that of the 1960 election.

Gladys Clark was re-elected inside.

Clayton Galloway was re-elected over O. V. Waters, of Enterprise. Official returns gave Bowden 3,019 votes, A. L. "Highpocket" Flowers, 1,670, and Waters, 2,193. All candidates in that race received complimentary votes though Bowden was in top place. He lacked 844 votes receiving a majority.

The Commissioner's race is for a four year term. The Judge of Probate office is a six year term.

Receive Highest
Amount Of Votes

The Tuesday Primary resulted in two run-off elections in Coffee County for the June 2nd primary. The Judge of Probate office and County Commissioner, District 4 were the only spots with more than two candidates offering for the positions, resulting in the two run-offs. Three candidates were working for those two places, and a run-off for the offices will decide who will serve.

The incumbent, J. O. English faces Colley E. Pittman in the run-off for Judge of Probate. English was high in number of votes but failed to receive a majority over his two opponents, Pittman, and Ira "Pete" Allen. Allen polled 1,850 votes, English, 3,294, and Pittman 1,976, official count. The two opponents to English received 532 votes above a majority, thus a run-off is necessary. Apparently Pittman and Allen received their best support in Beat 17, Enterprise.

Buster Bowden, incumbent candidate for re-election as County Commissioner District 4, faces a run-off with O. V. Waters, of Enterprise. Official returns gave Bowden 3,019 votes, A. L. "Highpocket" Flowers, 1,670, and Waters, 2,193. All candidates in that race received complimentary votes though Bowden was in top place. He lacked 844 votes receiving a majority.

"BIG JIM" CARRIES COFFEE COUNTY IN APSC RACE

According to the official vote in Coffee County Tuesday, Elba's native son, James E. (Big Jim) Folsom led the ticket for President of Alabama Public Service Commission, C. C. (Jack) Owen was second with Eugene (Bull) Connor close behind.

Folsom polled 2,339 votes, Owen, 2,137 and Connor, 2,036. In the statewide election, Owen and Connor will make the run-off race June 2nd.

For Democratic National Committeeman, Connor led the list in Coffee County. The official Coffee County results gave Connor a vote of 2,734; Folsom, 2,073; Arthur C. Barker, 533, and Raymond Weeks, 295.

TROPHY AND FLAG PRESENTED TO COUNTRY CLUB SUNDAY AFTERNOON - Mrs. Joann King and children presented the Elba Country Club a trophy in honor of her late husband, Roy King during the open house program at the Country Club Sunday. The trophy is to be awarded each year at the annual golf tournament. The trophy will have the name of the winner engraved on it and remain on display in the club house, to be won again the following year. EHS Music Department To Present Concert

The Elba High School Music Department will present the Tiger Band in concert tonight, Thursday, May 7th, at 7:30 o'clock in the High School Auditorium.

The band has worked very hard this year and deserves your support, according to bandmaster Joe Summers. The band marched at all football games and also participated in district All-State contests and were recommended to go to Tuscaloosa where the state contest was held.

Band director Summers reports that the band has had a successful year and will present a concert worthy of everyone's attendance.

Some selections to be played are Charter Oak, The Sound of Music, Highlights from Exodus, Be-Quine Festival and others.

The junior and beginner bands will also participate in the concert.

RIBBON CUTTING AT OPENING OF THE PEOPLES BANK - Elmer Taylor, who is Councilman at Large, cuts the ribbon, officially opening The Peoples Bank Friday morning at 9 o'clock. With Taylor is Lamar Rainer, Jr., president and Douglas Easters, vice-president of the new bank.

During the two day open house more than a thousand people registered with a large number failing to register during the time so many visitors were there at one time. The bank was filled with business associates and friends.

Though it was open house the new bank enjoyed tremendous business transactions during the two opening days. The bank opened Monday for a regular days work.

VOTERS BACK WALLACE'S PLAN

Unpledged Electors Endorsed By Big Majority

The state of unpledged Presidential Electors were endorsed by a big majority in Coffee County Tuesday.

Governor George C. Wallace backed the unpledged electors and his plea to the voters he said, "By running as unpledged Democratic electors these men are helping me in my fight for States Rights and Local Government. An overwhelming vote for these patriotic Alabamians will show the rest of the country that Alabama is solid."

The "pledged" electors endorsed by the liberals Democrats and their vote are as follows:

Joe Langan, 536; J. E. Brantley, 590; Barrett C. Shelton, 447; John S. Casey, 748; Belt Hattom, 625; Jim Allen, 6,310; Edmund Blair, 6,175; Albert P. Brewer, 6,280; Albert H. Program Association. This program of record keeping is set up to help our cattle-men make more money.

NITROGEN

Let the stand of corn you get determine the amount of nitrogen you use as a side-dressing. To make a high yield of corn, you've got to have a good stand and you must use enough fertilizer—especially nitrogen. If you have a good stand, use at least 70 lbs. of nitrogen per acre. If it's not, use at least 100 lbs. of nitrogen per acre. (I'm talking about actual nitrogen.) Don't wait until corn is all most waist-high—put your

nitrogen down before it's knee high if possible.

STANDS

K. C. and J. D. Burk of the Rhoades Community near Kinston told me late last week that they have the best stand of corn they have ever had.

The Burk brothers have planted 170 acres of corn and all of it is up to a real good stand. They also mentioned that they are getting an excellent stand of cotton.

My co-workers, Speed and Thompson, and I were talking about stand and what we had seen in the county. The thinking is that we are going to have good stands of both corn and cotton.

FORESTRY

A few days back, we sent a letter to some 300 land owners in Coffee County who have or will have timber for sale in the future.

We are not trying to check up or get too nosy on what the folks have. We are simply trying to find out what we have at the present time.

If our forest resources increase, we will have to find markets. The purpose of this current forestry survey is to determine if those who have timber are willing to sell it under certain circumstances.

SIDE-DRESSING

In checking through about 50 recent soil test recommendations, I find that the Laboratory is recommending about 70 lbs. of nitrogen per acre as a side-dressing for cotton. This is actual nitrogen.

The Laboratory is recommending about 80 lbs. of nitrogen on corn as a side-dressing. This ought to be put down just as soon as possible and certainly within 30 days after planting. Here again, we are talking about actual nitrogen.

This recommendation is almost twice as much as we have been using in the past. I want to point out though that if you have a poor stand of corn you would not need to use this much of nitrogen. In other words, let your stand determine how much nitrogen you use. If you have a good stand, put down 80 lbs. of actual nitrogen.

PENNIES

Coffee County poultrymen voted late last week on the penny-a-hen referendum. Our egg producers in the county are striving to produce top quality products. At the same time, they want to get a fair price for eggs and hens when they are sold. As a result, Coffee County poultrymen have joined with other poultrymen throughout the state to vote on a penny-a-hen assessment to be used for promotional purposes.

Producers voting on Friday of last week were: Robert and Tayla Wise of Kinston, H. J. Harrell of Enterprise, and Jesse T. Wakefield and Frank Brit of Mt. Pleasant.

PUBLICATIONS

We have the very latest and most attractive informative booklets that know of anywhere. In fact, on one bulletin board in the county agent's office, we have about 65 different publications. Just about every topic is covered from the camellia and its culture to peanut production in Alabama.

Call on us if we can send you any of these bulletins.

COMMODITY BREAKFAST

A small group of Coffee County folks enjoyed breakfast in Dothan on Friday morning. This was the day for the annual All-Alabama Commodity Breakfast. The purpose of this program which was sponsored by the Alabama Farm Bureau Federation and the Houston County Farm Bureau was to spotlight Alabama products.

We went through the serving line and had bacon, sausage, grits, eggs, honey, steak, milk, coffee, biscuits, toast, and several other items. In addition to this, we had a bag of peanuts to take home with us.

A lot of people in the county were invited, but those attending were: Brown Bryers, President of the Coffee County Cattlemen's Association; Carl Brooks, President of the Coffee County Farm Bureau; and Ed Donaldson and Charles Goodson, Farm Bureau Insurance Agents.

After eating a breakfast like this, we were all impressed with the high quality of products being grown, processed, and used in Alabama.

HAY

Special note to cattle-men: Right now is the time to complete your plans for saving plenty of good quality hay for the long cold winter ahead. Don't wait too late to take care of this important job.

GRASS

Joe Stokes of the Pine Level Community and some of his neighbors were busy late last week spraying peanuts for weed and grass control.

Elmer and Johnny Bryan also of the Pine Level Community are using chemicals for weed control on peanuts too.

By H. B. Thompson, Agr. Co. Agent

CLUB OF THE YEAR

The Mt. Pleasant Junior boys, New Hope Junior girls, Goodman Elementary boys and Kinston Elementary girls were the winners in the "club of the year" contest this year. The winners were announced at the rally held last Friday. These clubs will be taken on a picnic trip early in June.

SAFETY ESSAY WINNERS

Gibbs McCormick, New Brooklyn, presented loving cups to Rex Wyrosdick, New Hope; Mike Lindsey, New Brooklyn; Miranda McCall, Career Club; and Patsy Arnette, Mt. Pleasant, for their winning safety essays at the rally last Friday.

SUMMER CAMP

Last Friday, letters were mailed to approximately 1,100 Coffee County 4-H Club members concerning their summer camp to be held at St. Andrews State Park in Panama City, Florida, May 25-30. We are asking all 4-H'ers desiring to attend this camp to make their reservation just as soon as possible because we can take only a limited number.

THRIP CONTROL

With the cost of thimble down far below last year, we suggest that you apply it to your peanuts. It should be applied at the rate of 10 lbs. per acre either mixed with your fertilizer or with an applicator at planting time.

FARM NEWS

Roy Johnson, Ray Sanders, Harris Moates, and Martin Moates report that they plan to use chemical weed control on peanuts. Last week, all of them had rollers made to use behind their planters in order to leave a smooth band for chemical application.

CATIONS.

If you have not planted peanuts, you might check with one of them to see how their equipment was made.

We believe these rollers will do an excellent job of land preparation.

CHEMICAL WEED CONTROL

More Coffee County farmers are using chemical weed control on peanuts this year than ever before. We cannot over-emphasize the need for good land preparation at planting time. If the soil was not prepared at planting time, it is very doubtful if chemical control would pay.

We suggest that you apply a combination of 3/4 to 1 quart of Falone and 1 1/3 to 1 1/2 pints of Dinitro per acre as soon as the peanuts begin cracking the ground. If weeds and grasses are a serious problem in your field, we recommend that you use the

upper limits of both materials. Dinitro will give you a quick kill and the Falone will give a lasting kill. The combination should give good control for 6 to 7 weeks under average conditions.

NEMATODE CONTROL

We plan to put in four demonstrations using zinephos for nematode control. These plots will be on the farms of Alto Gary, Harold Carroll, Lamar Harper, and Dewey Kilcrease.

SHRUBBERY FERTILIZER

For established ornamental shrubs, use 2 lbs. of 8-8-8 fertilizer per 100 sq. ft. of bed area in early spring and 1 lb. of nitrate of soda or an equivalent amount of nitrogen in June. For dwarf shrubs or ground cover plants, reduce the amount by half.

ROSE FERTILIZER

Apply 1/2 lb. of 8-8-8 per 100 sq. ft. in early spring and repeat every 4 weeks until August.

CENTPEDE GRASS

Iron deficiency seems to be showing up in several centipede grass lawns recently. You first notice this deficiency by a distinct yellowing of spores in your lawn. It is usually caused by a high amount of phosphorus in the soil. It can be corrected by spraying with Ferric oxide, an iron compound.

the MOTHER who couldn't take it

Once there was a mother who had a normal, healthy boy. And he liked to do the things that normal, healthy boys like to do.

But, for a long while, Mother couldn't take it. She kept saying, "DON'T Bobby—you'll hurt yourself!"

Then one day, as she passed the playground, she marveled at a bold youngster's feats on the horizontal ladder. And, coming closer, she discovered it was Bobby!

Now she has more confidence in her son... and better understands his confidence in himself.

Sound religious training begins with confidence and understanding. In churches of our community youthful eagerness is directed toward right motives, high idealism, clean activities. Moral and spiritual conviction begin to supersede daring and pride as incentives for action.

Your child already has faith in himself. Through the Church's guidance and your example this rudimentary faith can be enriched and tempered by faith in God.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a source of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and read his Bible daily.

Elba Music Club Observes National Music Week

National Music Week always begins on the first Sunday in May and continues through Mother's Day and is celebrated under the sponsorship of the National Federation of Music Clubs. It is a non-profit organization dedicated to the pleasure and value of music.

1. To develop more extensive understanding and appreciation of the great art of music;

2. To encourage more participation in music;

3. To demonstrate the

pleasure and value of music through Mother's Day and is celebrated under the sponsorship of the National Federation of Music Clubs. It is a non-profit organization dedicated to the pleasure and value of music.

4. To vitalize music for the harmony it creates.

National Music Week was founded by Charles M. Tremaine in 1924, and has been celebrated each year since. The Elba Music Lovers' Club, each year sponsors National Music Week in Elba and were recently presented an Award of Merit by the National Federation of Music Clubs for outstanding participation in National Music Week for the year 1963.

PROCLAMATION

"WHEREAS music plays an invaluable influence in the life of our world; and WHEREAS music is one of the most sublime of human pursuits and is subscribed to by all races and creeds; and WHEREAS music is the language of all peoples and one of the greatest forces in creating peace and harmony; and WHEREAS the National Federation of Music Clubs—dedicated to encouraging young musicians, to increasing musical knowledge, and to advancing American music—and its cooperating organizations join forces to direct attention to the dynamic influence of music in everyday living:

NOW THEREFORE, I

Dozier Roberts, Mayor of the City of Elba, Alabama, do hereby proclaim the week of May 3-10, 1964 as National Music Week and ask that all citizens of this community observe and take part in activities, recognizing the importance of music, musicians, and musical organizations in the cultural life of our City, and State, and the National Federation of Music Clubs.

Chas. Baker Completes Insurance Course In Agency Management

Charles W. Baker, district manager in Elba, Alabama, for the Mutual Savings Life Insurance Company, has just completed an intensive two-week course in the principles of agency management. The school was conducted by the Life Insurance Agency Management Association, a cooperative research organization for over 450 life insurance companies. This session was part of a unique management training program which has graduated over 13,000 managers since 1929.

During the two-week period a selected group of field management personnel and home office executives studied basic principles and methods of agency planning, recruiting, selection, training and supervision.

The school was held at the Daytona Plaza Hotel from April 6, 1964 to April 17, 1964.

Mr. and Mrs. Loyd Fuller and children visited Mr. and Mrs. Frank Danford in Enterprise Saturday night.

Mr. and Mrs. Charles Clark, of Columbus, Ga., were weekend guests of Mr. and Mrs. Louise Clark.

The BWC members of the host church served the delicious meal.

Among those serving on the program were: Nancy Calmore, from Hilsent Church in Enterprise; Gayle Mynard from Mt. Pleasant; Sarah Moore, from Mt. Gilead; Dorothy DeVaughan, from Enterprise First Church; Bertie Hedge, from Elba's Westside Church; and Cayle Proctor, Coler, of Elba First.

Mrs. Philip Martin spoke briefly on associational plans and Brenda Nichols expressed thanks to the host organization.

The 85 present represented the following churches: Bethlehem, Mt. Gilead, Westside, Mt. Pleasant, Enterprise First, Hilsent, County Line, New Brockton, Fairview, Good Springs, and Elba First.

Mrs. R. E. Vaughan, Miss Rena Vaughan, and Mrs. Marshall Crawford, of Montgomery, visited Mr. and Mrs. Clyde Harris and Mrs. Harold Hudson last week.

Mr. and Mrs. Sam Sawyer attended a reception at the home of Mrs. Robert E. Yarbrough in Dothan Sunday afternoon.

Mrs. R. A. Sewell was

hostess at a coffee Thursday from 10:11 A.M. wearing a stunning morning

dress of blue. Mrs. Sewell met her guests at the door.

The coffee table's central decoration was an arrangement of yellow and white snapdragons and carnations, interspersed with appropriate greenery. At one end was a silver coffee service from which Mrs. Sam Sawyer served. Silver trays of party dainties completed the table appointments. Mrs. E. M. Warr assisted in serving.

Those included in this pleasant occasion were: Mrs. Ruth Anderson, Mrs. Vesta Bailey, Mrs. Dixie Clark, Mrs. Gladys Dorsey, Mrs. Betty Dorsey, Mrs. J. M. TRAVELING ALABAMA

By Jim Hart

Dauphin Island

Dauphin Island certainly is high on the list of those with the greatest appeal. Here are a few of the things we enjoyed.

After a most wonderful time in South Baldwin County we boarded a yacht for a four hour trip across Mobile Bay to Dauphin Island. A much quicker trip could be made by automobile.

The 40,000 ton warship is now in mothballs at the Bremerton Navy Yard, Puget Sound, Washington, but efforts are being made to bring her to Alabama, where she will be enlisted in a memorial park in Mobile.

All local and county bankers are cooperating in this effort and Frank P. Sanford, Chairman of the board, Liberty National Life Insurance Co., Birmingham, and general chairman of the campaign to raise the money needed to save the Alabama from scrap, reports that funds already are being received from some banks in this area.

John H. Nevel Jr., vice president of the Union Bank & Trust Co., Montgomery, has urged all banks in the state to take part in the drive. He says his requests have been well received by all bankers in the state.

"The Alabama Bankers Association has endorsed this effort 100 percent. We are certainly counting on all banks not only serving as depositories for these funds, but for supporting it out of their own efforts," Mr. Nevel declares.

"I am very optimistic as to the amount of money that will be raised from this source," he added.

Meanwhile, the state general campaign is progressing rapidly, with more than 3,000 life underwriters soliciting funds, and with school children from over the state becoming charter members of the USS Alabama BattleShip Memorial Park by giving their dimes, quarters and dollars.

The USS Battleship Alabama, which soon will be enshrined in Mobile, is the fourth warship to carry this name.

The USS Alabama engaged in every major naval battle in the Pacific theater of operation in World War II and earned nine battle stars.

Every school child who becomes a charter member of the USS Alabama Club will receive a free pass to board the ship when it is brought to Mobile.

Governor George C. Wallace is serving as honorary chairman of the USS Alabama fund - raising campaign.

The USS Alabama will all but fill the Panama Canal when it is towed through the canal while being brought to Alabama from Bremerton, Washington. The Alabama is 108 feet wide, the canal 110 feet.

All gifts being made to the USS Alabama BattleShip Fund, to be used in bringing the famous ship from Bremerton, Washington to Mobile, are tax deductible.

More than 3,000 life underwriters are soliciting funds for the USS BattleShip Alabama campaign.

Meet Recently BWC Program

The YWA of Elba's First Baptist Church was host to Coffee County's YWA April 27, in the home of Mrs. Harold Hudson.

Following the devotional by Mrs. Hudson, a short business session was held. Mrs. Frank Ratner presented a program from the group assembled in the current mission study book.

The following members enjoyed delightful refreshments during the social hour: Erlene Poole, Eleanor Lee, Willie Rhodes, Lucile Bowdoin, Sara Rafter, and Totsy Rhodes.

Doctor and Mrs. Dick Rowe, of Foley, were guests of Mr. and Mrs. Mike Corbett Sunday.

Mr. and Mrs. Loyd Fuller and children visited Mr. and Mrs. Frank Danford in Enterprise Saturday night.

Mr. and Mrs. Charles Clark, of Columbus, Ga., were weekend guests of Mr. and Mrs. Louise

THANK YOU

I am very humble and grateful to the fine people of Coffee County for the good vote given me in Tuesday's primary for Commissioner, District 3. I will do everything in my power to be worthy of your confidence.

IF AT ANY TIME I CAN BE OF SERVICE TO ANY OF YOU PLEASE CALL ON ME

Flournoy Whitman
County Commissioner
SOUTHWEST DISTRICT NO. 3
(Pd. Pol. Adv. by Flournoy Whitman, Elba, Alabama)

A Hearty Thank You

for the fine way in which you supported me Tuesday. This is my first bid for public office and I feel elated this morning that you have honored me in giving me the opportunity to continue in my race for the office of Commissioner of District 4. Thanks a million.

I wish to tell all the candidates and their families that I have thoroughly enjoyed the contacts I have made with them during this first primary. I earnestly solicit your support again. If your favorite candidate will not be in the race further I will certainly appreciate it if you will go to the polls in June and vote for O. V. Waters for Commissioner of District 4.

A MILLION THANKS

I WISH TO THANK THE VOTERS OF COFFEE COUNTY FOR THE

MAJORITY VOTE YOU GAVE ME IN THE FIRST PRIMARY TUES-

DAY ELECTING ME COMMISSIONER FOR DISTRICT 2. I APPRE-

CIATE THIS EXPRESSION OF YOUR CONFIDENCE IN ME AND

I WILL DO MY UTMOST TO JUSTIFY IT. I AM TRULY GRATE-

FUL - MY THANKS TO ALL.

BYRON GALLOWAY

County Commissioner District No. 2
(Pd. Pol. Adv. by Byron Galloway, Route 1, Jack, Alabama)

I AM GRATEFUL

to the
people of Coffee County

for their fine support in my behalf

in Tuesday's primary

Though I was defeated in my
offer as Commissioner for District 1 it
was by such a small majority that I feel I have
many good and sincere friends in Coffee County.

J. ALBERT DYESS

SERVING AS HOSTESSES - Pictured are Mrs. Walter Cox, seated, Mrs. Douglas Easters and Mrs. Boyd Murphree, who served as hostesses during the two days of open house at the Peoples Bank. Visitors registered in the guest book shown on the table.

The Peoples Bank received a royal welcome. A number of out-of-town visitors called during the two days of open house as well as hundreds of citizens of this area.

COUNTRY CLUB KEYS PRESENTED TO PRESIDENT - Douglas Easters, chairman of the construction committee for the Elba Country Club, presented the keys to the club house to L. F. (Sonny) Inman, club president, Sunday afternoon. Inman then opened the door to the impressive club house and hundreds of visitors spent several hours enjoying the interior of this beautiful club. The club is opened each day except Monday.

BOYS-GIRLS STATE - Continued From Front

Attended Boy and Girls' State. Girls who will be competing for the honor are: Harriet Collier, Gail Madson, Rachel Bowers, Gail Murph, Janice Holley, and Genette Plant. The boys include: Billy Rex Kelley, Jesse Lee, Lee Pinkard, Phillip Burkett, and Sammy Carney. Mrs. Jo Ann King has worked with the students in connection with this program and will attend the meeting with the boys and girls.

The Rotary Club, Sam Sawyer, and Coffee County Board of Commissioners have agreed to sponsor one boy each in this program. The American Legion will sponsor one or more and the Ladies Auxiliary will sponsor one girl. The Legion can send as many boys as have sponsors but the Auxiliary can send only one girl from each school.

The Boys' State will be held at Troy State College. The Girls' State will be held at Huntingdon College in Montgomery.

RUN-OFF PRIMARY - Continued From Front

elects Circuit Clerk over Laura S. Barker by a vote of 4,101 to 2,787, a majority of 1,314 over her opponent. In the 1958 election Clark polled 3,760 votes to Barker's 3,167. The race between Clark and Barker six years ago was much closer than the Tuesday primary.

Miss Clark is elected for another six year term. Byron Galloway unseated Claude Tindol Tuesday by a vote of 3,668 to 2,983, a majority of 685 votes. Galloway is a newcomer in politics, but is highly recommended as being very efficient for the place.

Nomination in the Democratic primary in Coffee County is tantamount to election in November. Coffee County went over-whelmingly for the "pledged" electors over the "unpledged" electors. The County polled a tremendous majority for Governor Wallace's slate of elector candidates.

THANKS

I AM DEEPLY GRATEFUL TO THE
PEOPLE OF COFFEE COUNTY
FOR RE-ELECTING ME

I WILL CONTINUE TO WORK HARD TO
JUSTIFY THIS SUPPORT AND TRUST
YOU HAVE IN ME

AGAIN THANKS

EUGENE (Gene) BROWN
Commissioner District 1
(Pd. Pol. Adv. by Eugene "Gene" Brown, Jack, Alabama)

TO THE VOTERS of Coffee County

I want to take this opportunity to thank all of my friends for the fine support given me in the recent election. I pledge to you my concentrated efforts of continued improvements in the educational opportunities of the entire county. Please feel free to visit the office at any time.

Carol E. Peacock
Superintendent of Education
(Pd. Pol. Adv. by C. E. Peacock, Enterprise, Alabama)

MY APPRECIATION

I appreciate the fine support I received in Tuesday's Primary and solicit your continued support in the June 2 election.

I AM HAPPY

to know that I carried my own District by a very large and complimentary majority.

I PROMISE

to continue to work for the good of all Coffee County and for the progress of every district.

BUSTER BOWDEN

COUNTY COMMISSIONER DISTRICT NO. 4
(Pd. Pol. Adv. by Buster Bowden, Enterprise, Ala.)

DEAR FRIENDS

I am thankful to you for the excellent
vote you gave me in Tuesday's primary.

I am most grateful to my many
friends who have so faithfully stood by me.

I humbly solicit your continued support.

Yours very sincerely,

J. H. Phillips

(Pd. Pol. Adv. by J. H. Phillips, Elba, Alabama)

TO THE CITIZENS OF COFFEE COUNTY

Since it is impossible to express
my appreciation to each of you
personally for the active support
and vote received for Circuit Clerk on May
5, I take this means to say "THANK YOU."

I shall always be grateful, and pledge
to you my very best efforts to perform
every duty of this office in a manner that will
merit the confidence you have placed in me.

Sincerely yours,

Jaycees To Sponsor Fish Rodeo

A fishing rodeo queen was chosen Monday night to reign over the Elba Jaycees' Southeast Alabama Fishing Rodeo.

Contestants were judged on beauty, poise, personality, and original fishing costume.

Sandra Lowery was crowned queen. First runner-up was Joyce Ann Bowdoin and Reda Kelley took second runner-up place. Other beautiful girls participating in the contest were: Barbara Cain, Dot Chancellor, Cheryl Clark, Joyce Jackson, Linda Jackson, Gail Murphy, Shirley Suley and Sandra Ann Wilson.

Contestants appeared in swim suits and their own idea of an attractive fishing costume.

The "Fishing Queen" will participate in all activities during the fishing rodeo which begins Wednesday, May 27. First runner-up was Joyce Ann Bowdoin, left, and Miss Reda Kelley, right, was second runner-up.

JAYCEE FISHING RODEO QUEEN - Miss Sandra Lowery was crowned "Fishing Rodeo" queen Monday night. First runner-up was Joyce Ann Bowdoin, left, and Miss Reda Kelley, right, was second runner-up.

Language Equipment Brought

The Elba High School has purchased a mobile language laboratory unit at the cost of \$5,000 to be used in the first and second year French classes.

The equipment, which includes a tape recorder, a microphone, and a class of thirty students to have a head set which consists of earphones and a microphone combination.

The tapes which accompany the books are recorded by French speaking people, male and female. Each student listens to the tapes with his individual head set and in most cases, time is given for each student to repeat after the speaker, short phrases and sentences at the time. The teacher may at any time listen to a student speaking; the student has no way of knowing when he is being checked. The material may sometimes be translated before coming to class or the students may be called upon to interpret the speaker without seeing the material in writing.

With constant listening and speaking, the students will be able to develop their ability to hear and understand the foreign language. The tapes recorded by French speaking people give the students the true and definite sound of the French language.

Machines Cause Congestion

During the first primary election last Tuesday, a lot of congestion developed at the polls where voting machines were being used for the first time. The ballot was long and because of the election race and most voters' determination to be sure of casting their vote for the unpledged electors, even more time was required. Some had failed to take a full sheet of electors with them, apparently expecting the ballot to have them listed as the pledged and the unpledged and on finding that they were not

Mrs. Dunaway Honored By Students, Faculty Of Elba City Schools

On May 8, at 2:00, the students and faculty of the Elba City Schools, along with friends and immediate family members, paid special tribute to Mrs. Xuripha H. Dunaway who is retiring from the teaching profession at the close of this school year with a successful teaching career.

Mrs. Dunaway was escorted to the football field by one of her third grade students, Martin Snellgrove.

The Reverend David Carter gave the invocation followed by two numbers by the Elba High School Tiger Band.

Jack Brunson made a very interesting talk on a dedicated teacher. High lights of Mrs. Dunaway's teaching career was given by Larry Goodson, a senior and former student of Mrs. Dunaway.

Elmer Taylor, Superintendent, made a presentation from the Elba Teachers' Association. A lovely tea was given in her honor following the ceremony on the football field.

This honor extended to Mrs. Dunaway upon retirement, was in recognition of her many years to the instructional staff of the Elba City School, and as a contributor during many years to the purposes and achievements of public education.

Mrs. Dunaway was keenly aware of the following quotation by Horace Mann: "It is through teaching, and teaching alone that the problems of humanity can be solved." She, with a love for youth, a dedication to the teaching profession, a faith in God, never ceased to contribute her
